### RATIONALE

In 2016, the European Association of Service providers for Persons with Disabilities celebrates its 20th anniversary. Under the slogan “Join the Trip! 20 Years on the Road”, EASPD will organise exciting events and activities which will bring service providers, persons with disabilities, decision makers and other partners and stakeholders together in Brussels. We highlight that service providers are constantly evolving and adapting to pave the way to inclusion.

Next year will be the occasion to continue discussions on the importance of co-production, but also assess the 10 years since the adoption of the United Nations

Convention on the Rights of Persons with Disabilities and of course, commemorate the 20 years of EASPD’s existence and work.
