PUBLIC TRANSPORT IN CHISINAU

There are three types of public transportation systems within the capital city: **buses, trolleybuses, and maxi-taxis.**

There are no predefined schedules for public transportation. Generally, the waiting time is between 3 to 30 minutes depending on the route and the time of day.

If you travel by [trolleybus](#), you should purchase the ticket soon after you get on the trolleybus from the ticket seller. The ticket seller usually walks through the bus so that everyone has a chance to buy a ticket. The cost is only 2 MDL. You must keep the ticket until the end of the journey as random checks are conducted during journeys. Travelling without a ticket will incur a penalty fee.

You can also take a [bus](#) at a cost of 3 MDL. Again, you buy your ticket when you get on the bus.

Important: The ticket you buy in buses or trolleybuses are valid only for that ride, and that particular type of transportation. You cannot buy tickets ahead a time, it will not be valid. Every time you get on the bus, you have to buy the ticket on the spot.
