

2017 Project Development Workshop - Project Outline

Proposal Title (provisional)	A Legal Labour Contract for Supported Employment
Applicant	EMPLEA Foundation (Spain) - Fernando Bellver
Objectives	To disseminate a specific kind of labour contract among the different European countries to advocate for the right of people with disabilities to have the support they need or a reasonable accommodation to work at the open labour market as the other citizens.
Evidence of the issue	This legal tool will ensure the quality of the support services (for both the worker and the employer) and the funding of these services.
Proposed activities	To create a working group.
Expected results	Some European country will test or assume this legal tool to enhance the labour inclusion of people with disabilities.
Partners required	3 countries minimum
EU funding programme/Actions
