

## CALL FOR CONTRIBUTIONS

# Market of Possibilities

### European Conference

## Planning Inclusive Communities: Challenges and Strategies of Local Implementation of the UN Convention on Rights of Persons with Disabilities (UNCRPD)

27-28 March 2014

Siegen, Germany

The conference "Planning Inclusive Communities" will focus on the concepts and practices for implementation of the UNCRPD in municipalities, communities and local entities. We will discuss the development of effective pathways to inclusive communities based on political responsibility, active citizenship, and stakeholder participation. To facilitate sharing of good practices and networking opportunities a 'Market of Possibilities' showcasing selected municipal planning activities will take place on the first conference day.

### Where and when:

- Conference venue-University of Siegen, Adolf-Reichwein-Straße 2, 57068 Siegen, Germany
- The Market of Possibilities will be open on the first conference day, 27.03.2014, between 14:30 and 15:30h and during the conference breaks

### Conditions:

- ✓ A stand including a table, a billboard, 1-2 chairs (the design of the stand space is responsibility of the market participants)
- ✓ Electricity connection, Internet connection
- ✓ The market participants should bring their own exposition material (PR documents, leaflets, posters, banners, etc.)
- ✓ Exemption of conference participation fee for one person from each municipality or organisation presenting at the market

### Criteria for participation:

We are looking for ca. 25 good practices and successful experiences in planning activities and projects related to inclusion at local and municipal level. You may present projects on municipal plans for participation and inclusion or related to specific thematic areas activities such as participation process, including planning in sports, cultural and leisure activities, etc. The presented project should be in line with the UN CRPD. An added value will be clear indication for user satisfaction from the applied practice.

### How to apply:

- ✓ Send an e-mail to Mr Matthias Kempf at [matthias.kempf@uni-siegen.de](mailto:matthias.kempf@uni-siegen.de) with a brief description (max 15 lines) of your project, name and contacts details of the responsible for the exhibition stand.
