

EASPD Project Café – Training on how to Develop an Erasmus+ Cooperation Partnership Project (Members Only) 19th January 2022 – 14:00-16:00 (Brussels time)

Erasmus+ is the main EU funding program on education, training, youth, and sports, and provides several opportunities for organisations interested in knowledge exchange and cross border cooperation. It put particular attention to various topics relevant for support service providers, such as inclusion and diversity, digital transformation, environmental sustainability, and participation in democratic life.

The Key Action 2 – Cooperation Partnerships calls are particularly relevant as they support transnational projects aiming at enhancing cooperation between organisations from different countries, favouring the development, transfer and implementation of innovative practices and joint initiatives.
