Join us for an online discussion about the [EU Action Plan on social Economy](#) issued by the European Commission on 9 December 2021. The document aims at identifying tools to help social economy increase its impact across the EU and beyond. This target will be achieved by 1) strengthening the existent legal and policy frameworks for social economy to thrive, 2) creating new opportunities for social economy enterprises to develop, and 3) enhancing awareness on social economy and its potential across the EU.

As part of the social economy, many of the EASPD members will be directly impacted by the EU action plan on Social Economy in the upcoming years.
