ACT-INCLUSIVE: Actors of Change Towards Inclusive Education

[Grant Agreement No. 101090038 — ACT INCLUSIVE — ERASMUS-EDU-2022-PCOOP-ENGO]

We are proud to announce the release of the comic book and Audiobook: “My Monsters”

The ACT-INCLUSIVE comic book narrates the story of Mia, a girl with disabilities, and the difficulties she faces every day. No one around her could imagine what she is going through until one day Leo finds her personal notebook and explores her thoughts.

The comic book is a fun way to raise awareness and learn how people with disabilities feel. It is a tool to promote inclusive communication and education in the school environment, especially among students.

The comic book and its audiobook, with voice storytelling, are [available](#) in English, Greek, Spanish, Slovenian, French, Hungarian and Galician.

Updates on the project’s work and next steps

Our main upcoming activity is to implement workshops about inclusive education in local schools, in all project countries. Each country will implement 4 workshops about inclusive education, based on the project results already developed.

Following the workshops, there will be national and local events in all project countries to promote the project results.

If you would like to participate, contact the national partner.

Other future steps include the finalisation and publication of the Training and Awareness Raising (TAR) Manual, including modules about inclusive education for educators and students, and the ACT-INCLUSIVE Toolbox on non-formal education activities, promoting inclusiveness. Both materials will be available in English, Greek, Spanish, Slovenian, French, Hungarian and Galician.
